

Sister Legends Program 2007-08

The achievements of an organization are the results of the combined effort of each individual. –Vince Lombardi

Last year, we had almost 100 Sister Legends in the program. We would like to continue the program for this year which will include more events to attend and a lot more club unity for the Legends program. Again, it is designed as mentorship program to give back to one another within the club that is on volunteer basis for each team and each player within the team. I will attempt to match an older team to a younger team within the club and have a schedule of events to do with one another throughout the year. Example events will be a practice session with the younger teams, attending games, and volunteering within the community. The first event will be Sunday, August 26th at Van Horn Woods starting at 6 p.m. We will be having the players meet one another, take pictures, and exchange soccer balls. It will be a start of camaraderie between players, teams, and the club with hopes of a community of players that evolve around a great game of soccer.

I have attached a Sister Legend Profile sheet to hand out to your players. Again, it is a volunteer program for all female players in the Legends program. Please have them fill out the sheets and attach a picture that I can give to their Sister Legend. In August, I will send out more information on the date, time and location of the soccer ball exchange and give you a list of who is matched up and exchange the profile sheet for each player. The maximum amount on the soccer ball will be ten dollars so be creative. If anyone cannot pay this amount, just email me and I will find some donations.

All assistant coaches/managers/parents please present this sheet and the profile sheet to your team. Please collect all sheets from your team and don't forget about the picture. Please put them in an envelope with your team age group, name, the amount of players that are interested from your team, and team contact information so that I can track it easily. The Sister Legend Profile Sheet will be due August 1st.

Thank you for all of your time. Please contact me if you have any questions.

Thank you,
